

### **Trial Access to Lecturio – Medical Teaching Simplified**

Busitema University has been granted a two weeks' trial access to a digital medical platform called Lecturio. The trial access is effective from 16<sup>th</sup> through 31<sup>st</sup> July 2022. Lecturio gives you comprehensive access to pre-Medical, Pre-Clinical & Medical curricula in medicine and nursing. Besides health science disciplines, the multidisciplinary platform provides access to Biology, Chemistry, Physics, and Mathematics amongst others. The content includes: 12000 education videos, 30,000 Recall Questions, 7000 case question bank and over 1,300 textbook articles, 3D Anatomy models, pop up questions and clinical cases. Lecturio provides a customized set-up for both students and lecturers and is accessible through the phone using Android and iOS mobile Apps.

To access Lecturio, please visit <https://busitema.lecturio.com/en/login> and contact the Campus Librarian, [Ms. Glorias Asiimwe](#) for the login credentials (User Name and Password).
