

INTERNSHIP PLACEMENT

Busitema University is a multi-campus Public University located in Eastern Uganda, with its main campus at Busitema along Jinja-Malaba High way, Busia District.

Busitema University Library is pleased to offer **4** internship positions to Library and Information Science students for a period starting **August 29th** to **September 30th 2022**. Internees will participate in the library's organization, automation and digitization programmes, creating digital collections based on open access content, and developing digital tools to support information discovery at the Faculty of Science and Education, Nagongera Campus.

Interested students can send their Letter of Interest to the University Librarian, Busitema University, including a partial transcript and letter of introduction from the School to library@busitema.ac.ug **not later than Sunday 21st August 2022**.

Please note that this is not a paid internship nor will you be required to pay a fee for your participation. While the University will offer free accommodation at the University premises, water and electricity, Internees will be responsible for their meals and transport to and from Busitema University and their current location/residence.
